

MED135, MED145, MED150 - Hand Gel

PRODUCT DETAILS

Code: MED135 | 35ml

Code: MED145 | 45ml

Code: MED150 | 50ml

For effective hand sanitisation:

- 70% Alcohol content – effective sanitisation
- Convenient size for personal issue – helps prevent cross contamination
- Enriched with aloe vera extract - cleans, softens and moisturises the skin of the hands.

Ingredients:

Alcohol Denat, Aqua, Glycerin, Acrylates/C10-30, Alkyl Acrylate, Crosspolymer, Sodium Hydroxide, Parfum, Aloe Barba-densis Leaf Extract, Benzyl Alcohol, Citronellol, Hexyl Cinnamal, Butylphenyl Methypropional Alpha Isomethyl Ionone.

Method of Use:

Apply a small amount to your hands, rub into your fingers and hands until the gel is completely absorbed into the skin, no need to rinse.
